Boy's Tennis

tennis is love

Tristan Cummings

The 2011-2012 Boys Tennis Season was a tough one with Jeffrey Stooksberry graduating the year before. With the loss of their number one singles, player Jarrett Taborski had to step up as #1 Singles. #2 Singles had Philip Sopiarcz stepping up to the plate with Joshua Borst at #3. Taking charge of the #1 Doubles spot were Andrew Mageria and David Steuart, a fierce duo with an attitude. The novice Tristan Cummings, combined with the slicer James Weismann, made a very competitive and successful team to go against the other duos in the GSSC.

The season was tough on the newly appointed singles players but not the doubles players. #2 Doubles finished the season with a very strong winning record and went very far into the GSSC Tournament. The team's chemistry was very strong even with the fact that Coach Jerry Tauber had resigned. With the newly appointed Coach Ham, things started to look bright for the team with someone to look after and help the team get better. The Warriors Boys Tennis team has and always will be a place for playing tennis, and more importantly, having fun. - Joshua Borst

hardcore skill,
unprecedented

dedication and the thirst to
excel alongside your team.
Being a Lady Warrior on
varsity is challenging; you
must be capable of balancing
schoolwork with teamwork.
This year's team consisted of
five seniors and three juniors.
We had a very small varsity
team but we had a successful
season. We knew we weren't
the greatest team out there
but we all were dedicated,
worked hard, and had fun.
This team wasn't just any old
team. We were a bunch a girls
that grew together and
stronger - we built a family
bond. This team didn't always
come out with a win but we
came out holding our heads
high knowing we gave it our
all. Ending the season we lost
3 starting varsity players.
Next year will be a rebuilding
year. Best of luck to you all!

Footballers Struggle But Emerge Undaunted

The 2011 season featured an interesting team with outstanding potential. Early season losses to Gavit and Clark were demoralizing. However, the gut wrenching debacle at Clark was devastating. A 24-20 WIN....became a 20-18 loss. The team had great win at home over BNI...in the "Weather Bowl."

Thomas Brown led the team in most categories and will be a preferred walk-on at Purdue. Thomas had a great game at offensive guard for the North All-Star team. Seniors, Gabe Carmona, Marquan Manuel, Marquise Carlton, and Dante Collins all contributed.

Next year's team will be very young with good players. – Coach Zimmer

We're Glad You Came Cheerleaders

This season our Calumet cheerleaders had an eventful year, but through everything we still managed to put a smile on our faces and support our school. Behind the hairspray and short skirts are girls that work hard, laugh often, and put their all into their sport. In the beginning of this year, the cheerleading squad had 16 girls, but towards the end it was lowered to 5. Only the strong survive! Those 5 girls were Christina Joseph (co-captain), Kanessa Ivey

(co-capatain), Alyssa Gossett, Brittany Reiser, and Chelsey Gutierrez. Although the team was small, we had awesome spirit, great stunts and amazing personalities. Our cheerleaders were led by 2 coaches, Michelle Jimenez and Rebecca Uylaki. To these girls, cheerleading is more than a sideline sport, it's their life!

Run With Us!

The 2011 cross country season was an exciting one with several major accomplishments. The team was small but mighty and had some new faces as well.

On the boys side there were only 3 but they made some noise in the GSSC. Boys Captain Kevin Miller took 2nd team all conference with a 7th place finish at the GSSC championship meet. Other strong contributors to the varsity was returning veteran Jarrett Orich who finished his high school cross country career with a personal best time at the Gavit sectional. Another bright spot was newcomer and freshman Noah Trevino who also ran a personal best time to close the season and helped the team have a strong showing at the Gavit sectional.

The Lady Warrior's season was marked by many new comers as well. The varsity line-up included veteran harriers Andrea DeGard, Roniece Hollingsworth and Deena Hayes as well as rookie runners Danielle Smar, Ashley Redd, and Ashley Hawker. The season saw many bright spots for the Lady Warriors including a team 3rd place finish in the GSSC conference and a team 5th place finish at the sectional which gave the girls team its first regional birth in school history! Roniece Hollingsworth had a great meet also at Highland on September 25 when she set a career best time and broke the 30 minute mark for the first time. Roniece has dropped her time a remarkable 11 minutes since the start of her cross country career and continues to improve every week. Other bright spots were marked by first time cross runner Danielle Smar taking home a second team all conference selection at the GSSC championship meet and senior Andrea DeGard breaking her old ladies school record at the Lowell Invitational, Highland Invitational, and finally breaking it a third time at the semi-state meet at New Prairie High School on October 22, 2011 when she ran 20:46.5 for 5,000 meters and placed 69th. Andrea was also a first team all conference selection for her 2nd place finish at the GSSC championship meet, a 7th place finisher at the Gavit sectional, and a 12th place finisher at the very tough Crown Point regional meet. Great season ladies! - Coach Lukowski

(No we don't have more coaches than swimmers!)

Impossible Doesn't Exist!

The support of the Alumni, Athletic Department, our family and friends helped the Varsity Swim Team and coaching staff finished another great season. Throughout the season the swimmers proved that hard work, self discipline and dedication can pay off in the end. We are a team and family all in one. One persons success is everyones success.

What we've accomplished is beyond what anyone thought we could do and we'll continue to astonish people by our dedication to the growth of our program. We owe much of that growth to the two new coaches we had this season, Alissa Williamson and Daniel Arroyo, who helped mold the team into the accomplished young adults they are today.

The girls team worked hard and achieved great things by breaking two school records this season. Kalese Thomas broke the individual 100 Backstroke record. Also broken was the 200 Freestyle Relay record with a team of Kalese Thomas, Elizabeth Stanford, Kayla Kronland and Roberta Pivoriute. Having such a great season proves there is no where to go from here but up.

The boys team pushed themselves beyond their limits and succeeded by having Calumet make the finals at sectionals for the first time in almost 10 years. Sal Hernandez and Jose Perez proved that once you set your mind to something there are no limits to what you can achieve. They also learned that when Coach Rob says "Do me a favor" it usually means they will be hurting by the end of practice.

We are setting our goals high and looking forward to what next season will bring.

Are we Beast? Is water wet?

LADY WARRIORS

Right: Theresa Strong leads the break and Amanda Stenger brings up the rear..

Being a basketball player was a lot more than just being another athlete walking the hall. The Lady Warrior basketball team had a target on their back since the 2011-2012 season started. All of the players felt the stress. Coming into the season 40-0 in the conference put a lot of stress on the girls. We all had roles to fill! Every one of the girls put effort into the game. They played with all that they had and at the end that was all that mattered. Coach Downing always said, "Go out there, work hard, and have fun." We didn't end up with a championship this year but to me, all of the players were champions. We all improved and grew as a family. The Calumet basketball team had the best bond that a team could have. This year we overcame many obstacles and it made us grow together and become stronger. We ended the season with a losing record but we all came out stronger than before. The team lost five seniors, three being starters. The 2012-2013 season was not a very strong year for the Warriors but it was one of the best seasons any athlete could ask for. In my eyes, we were more successful than those teams that won championships. Overcoming the challenges while remaining positive and sticking together, that's what the Lady Warriors were about. THAT'S what made Calumet's basketball team successful. I plan to look for great things next year from the returning players. STUCK LIKE GLUE! - Amber Redd

The Team Abides

At Calumet New Tech there is one team that barely gets acknowledged: our bowling team, a team that plays in the winter from October until our banquet during the second to last week in February.

The team consists of Tiffany Matuszczak, Moira Barrios, Robert Kadisak, T.J. Thomas, Marci Espinosa, Keith McIntosh, Sabrina Fazekas, James Weisman, Ronnie Mitchell, and Robby Peterson. Tiffany Matuszczak's mom, Ruby, was the coach along with John.

Last season was quite the downer. Having only four girls (five were required), we lost majority of the points that we accumulated during the games. The guys, however, were fine since they had enough, with Robby to spare as the alternate.

During the season we went against the best (Highland) and the worst (River Forest). Our meets have always been at Plaza Lanes in Highland, Hobart Lanes in Hobart, and Ray's Lanes in Lake Station. There's practice Tuesdays at Plaza Lanes and Wednesdays are our games. They start at 4:00 and go on until both games are done.

We didn't have such good of luck last year. We lost the majority of our points because of our lack of team members. Additionally, we went against pretty good teams. The guys didn't do badly. They got pretty good scores. Tiffany raised our scores up big time. She was the best player on the whole team. She bowled over 200 in a few of our games.

We welcomed our newcomers (Marci, Robert, and T.J.) and were quite impressed by how good they were and became. T.J. showed excellent progress within the season. Our newcomers quickly got into the groove of what we do during practice and games.

As a closing, our last season was fun but disappointing to say the least. We got new bowlers and this year are going to take the conference by storm. This next season we will be better than last. - Moira Barrios

Golf team enjoys brilliant season.

We had a 17 – 4 record this year with only two losses at our home course, Turkey Creek Golf Course in Merrillville. We finished third in both conference record (4 – 2) and in the conference tournament. Our team won the inaugural 8 team, Calumet Invitational to begin the season, also at Turkey Creek. We placed fifth in the Portage Invitational in April and fifth in the always difficult Westville Invitational in LaPorte. Unfortunately we also placed a disappointing sixth in the Lake Central Sectional at Palmira Golf Course in Saint John. We had two players that were selected to the first team “All Conference” team. Seniors Jarrett Taborski and Philip Sopiartz. Those two along with fellow senior Jarrett Orich were selected to the “All Conference Academic” team. - Coach McGee

Records usually don't tell the whole story about a baseball season. Some people just assume that the team that lost almost every game during that season is not worth watching or mentioning. This wasn't the case for the 2011-2012 season for the Calumet Warriors baseball team coached by Bryan Arthur and assisted by Coach Kilgore. The one important word that would define this season is "Defense."

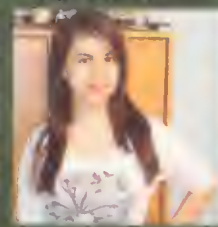

With a fresh new coaching staff to coach the Warriors, the team had a feeling that it was going to be a better year for the baseball team. Although their record didn't show that, the way the games were played did. The previous year, having a 2-18 record meant 10 run blowouts most of the games that we played. This season, it meant playing games that were exciting and closer than ever. It's not everyday that you hear Calumet losing to Wheeler 9-2. Usually it is a lot more. In the end, a loss is a loss, but the way the games were played and how much the defense had improved made an important difference.

The pitching staff for Calumet was a lot stronger than it was the previous year. Every player hit the weight room for winter conditioning. This was a huge factor for the pitcher's speed. It improved their speed a lot, along with additional coaching. K.C. Waleski, Allen Thomas, Jose Rodriguez, Colton Meeks, and Marcus Kubina were the main pitchers for the Warriors. Alongside of them were catchers Tommie Qualls and Colton Meeks. This year's team had a lot of enthusiasm and played for the love of the game. - Joshua Borst

Chieftain Yearbook

What can I say about the Chieftain? It's been a long road. Producing this yearbook was, again, a struggle, but we had a wonderful group of people that pulled through when the time came for it. And, as always, we had the wonderful Mrs. Sperry Gresham House which to show, without which this yearbook would be, well, very plain and very sad. Like Mr. Brulant's weekends.

Thank you for purchasing this latest edition of the Chieftain, dear reader, and I hope we managed (as was our goal) to give you, and your friends with your mouths hanging open and your eyes tightly closed... just one of the perks of having an overworked and exhausted yearbook advisor! We look forward to preserving you at your best (sic) always!

Dance Team - Woot!

Dance, Dance, Dance the Night Away!

There are 20 teams in our division that compete during the 3 months of competition, in hopes of advancing to State. The Warriorettes set a goal this year to raise their scores at each competition, compete at regional and advance to state. They met all of these.....at state the girls competed in hip hop and earned 8th place.....They also competed in pom and earned 9th. I am very proud of this team and all that they have done.....they are young and one day will realize that whatever place they earned it is an honor that they competed on the state level.

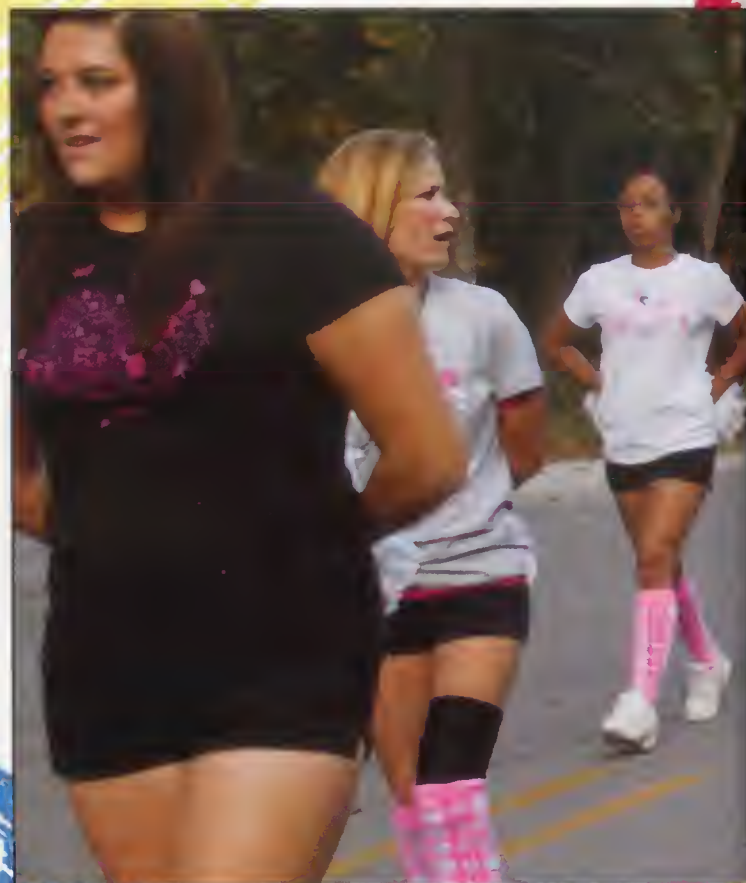

We would like to thank everyone for their support this year and hope to make next year a 3-peat....

When opportunity presents itself please let these girls know how proud you are of them as they are beating themselves up for not placing higher and not fully understanding that there are 12 teams that would love to be where they are in the rankings. - Coach Lowe

Rest in Peace

This edition of the Clinton Yearbook is dedicated to the memory of Derek Urbaszewski, who sadly passed away in August of 2011. You will never be forgotten!

EW/SIKY

Why day
of you,
How can it be true?
I don't believe you're really gone,
I still can't accept it,
After so long.
Just the thought of you makes me cry,
I never could get the words of my goodbye.
Every morning every night
I don't know how I will ever get better.
I always smell your familiar scent,
It makes me think of all of the times we've spent.
I know we didn't always get along,
And every time we talked, it would always go wrong.
So many things I never got to say,
I never imagined you'd ever be so far away.
You were my brother,
And I loved you like no other.
In my heart you'll always be,
You'll be my guide and help me see.
I'll never forget your soothing voice,
I would take your place if I had a choice.
But now I have to let you rest,
Although without you my world's a mess.
I miss you with all of my heart,
I wish we never had to part.
I know you're always by my side,
So now I guess this is my goodbye...
- Brittany Urbaszewski

The Warrior Band Keeps Marching Help Support Your Marching Warriors!

Jessica
Robert Kadisak

The Calumet High School Marching Warriors, under the direction of Thomas Wright, have faced many problems throughout the year but still continue marching. The band's budget was cut a couple years back and they've had to fundraise to attend any competition throughout the year. When asked why the band still attends these competitions Mr. Wright replied, "This is what we work so hard for. The students love these competitions and it helps show others just what our band is capable of even without funding."

The band with William Jackson at their Rgt. C, at performance

The Marching Warriors attended four marching competitions this past semester performing their marching show titled "Ureagw" and received three gold ratings and one silver only missing the gold by half a point. When asked about the disappointing silver rating the drum majors, Elizabeth Kadisak and Jessica Robinson replied, "We're just like a family. We put a lot of time and work into this year's show and were proud of the band. We'll just have to work a little harder next year if we want the gold at ISSMA." The band will next be competing at the ISSMA (Indiana State School Music Association) Solo and Ensemble contest. They have students competing at the highest level, which is group one, as young as freshman. Scholars from around the state attend these contests starting at district, then they head to Indianapolis if they receive a gold rating.

The band is now in Pep Band uniforms. They perform at every home varsity boys basketball game. The band gets the crowd going by playing popular pop songs such as Apache more commonly known Jump On It by 50 Cent. The crowd goes for the percussion to play one of their favorite songs called "O.S.T." Even the other teams' crowd enjoys the band as well. Some students at Calumet have said, "The band is better than the team!" If you would like to see the band perform their next pep band game is January 7th, 2012. Come out and support your marching warriors!
